extension of leave & the Officer himself submitted an application asking for it. No such application has so far been received asking for further extension.

4) He has asked for time till the 15th October 1950 to submit his explanation on the Charges framed against him arising out of the proceedings of the Gopalaraa Enquiry Committee, and the file has been put up separately.

17) After receipt of the explanation some time may be necessary to take a final decision in the matter. His leave may therefore be extended by one month.

29.9.50

18) He has so far been granted six months' leave and further extension of leave with half pay on half average salary. In the case of Sri Sck. Somappa, he was granted to duty for a day on the expiry of six months' Combined leave and thereafter

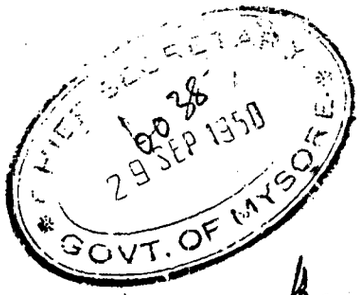
granted furlough on full average salary. A similar proposal in respect of Sri C.H.H. Ranjotha Singh, D.G. of Police was first turned down and his subsequent representation has been put up to Home Min & Chief Min.

19) The point for consideration is whether Sri K. Thimmaiah Chetty may be posted for duty for a day and then given one months furlough on full average salary or whether his leave may be extended by one months furlough on half average salary.

Chief Secy)

Sd/-
29.9.50



20) His leave may be extended by a month. I do not think it is possible to take him back for just a day as the officer who is filling the place has to go on leave; in the case of Sri. Somappa the place was vacant. We have also to give a justification for this special case of action.

21) I have discussed this informally with Min. H.M. in the absence of the C.M. on tour.

22) Please issue notification & put up today.

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

READ:—

CONFIDENTIAL.

No. Ch.S. 12528-51/G.E. 158-51-1

Dated, Bangalore, 15th March 1952.

Sri P. Thumboo Chetty, Secretary, Mysore Government Insurance Department, was granted leave with effect from 1st April 1950 pending examination of the several charges framed against him by the Gopala Rao Rau Enquiry Committee.

The following is the list of charges:

1. He borrowed and lent out moneys for profit without obtaining any license under the Money Lenders' Act;

2. He canvassed business from officers of Government, even from his subordinates;

3. He used his "influence" with the officers of the Government to prevent the levy of proper income-tax which necessarily resulted in loss to the Government of its just dues;

4. He did not disclose in his incometax returns correct statement of amounts regarding his income both in the City and in the Cantonment;

5. He accepted a loan without interest under circumstances amounting to illegal gratification;

6. He utilised his "influence" in obtaining extensions to those officers of the Government whom he canvassed into Gopala Rao Business and had a hand in securing Gopala Rao a title which helped him to spread his net on the public.

7. He was an active party for canvassing business to Gopala Rao knowing or having reason to believe that it was a swindle.

These charges were communicated to Sri P.Thumboo Chetty and his explanation thereon was obtained.

The offenses with which the officer is charged are all offences involving moral disgrace and this the Officer himself admits to some extent, and according to the rules for enquiry into the conduct of public servants, any evidence which conduces to moral conviction would be a sufficient basis for action by Government.

The conduct and transactions of this officer must be condemned in the strongest terms. Being a public servant placed in charge of an office of great responsibility and trust, he kept self before service, joined hands with a few

venturers deliberately to make gains of money rapidly

P.T.O.

by cheating the public but mainly the Government itself and amassed considerable wealth by evading payment of legitimate income and super taxes to Government, and by other improper methods. Contrary to the Government Servants' Conduct Rules, he took up commission work for an unlicensed money-lender, (who carried on something of a totalizator or sweep business in the guise of money lending) to earn money, secured collections from numerous persons by false inducements or misuse of his official position and personal relationship with high placed officers of Government and earned large incomes over a period of several years but failed to disclose the same in his returns of income and evaded payment of legitimate amounts of tax and caused considerable loss of revenue to Government and abetted similar conduct of his associates, against Government.

By all these transactions, he has let himself down badly in the Service and brought discredit to Government and the State.

The Public Service Commission to whom the matter was referred for opinion has recommended that Sri P.Thusboo Chetty may be compulsorily retired from service. The following is an extract from the report of the Public Service Commission, who examined thoroughly the charges framed against this officer on the basis of the findings of the Gopala Rao Enquiry Committee and considered his explanations.

"It can now be said that the part played by this officer in this business of Sri Gopala Rao, is not worthy of a Government Officer. The explanations offered by him are not acceptable as they do not meet the charges but merely try to explain away his conduct."

"This officer, being a Government Servant and as such prohibited from making any speculative investments or from engaging himself in any private business violated these specific provisions regarding the conduct of Government Servants."

"There is also sufficient material to hold that he abetted the unscrupulous dealings of Sri Gopala Rao".

"Further he not only evaded disclosure of his full income to the Income-Tax authorities but also assisted Sri Gopala Rao by his "influence" to escape proper enquiry into his business and proper assessment to incometax."

"From a careful consideration of all the material made available to us and after giving due consideration the explanation offered by this officer, the Commission

Id that Sri F. Thumboo Chetty got himself seriously involved in this banking fraud and acted in a manner unworthy of a Civil Servant of his rank and experience and transgressed many of the rules governing the conduct of Government Servants."

The Commission further hold that by this conduct of his, Sri F. Thumboo Chetty has proved himself unworthy to hold any office of trust or responsibility. Considering the gravity of his misconduct as a Government servant, the Commission feel that his continuance in service would not be in the interests of Government or for the good name of the Service to which he belongs and the Commission would have normally recommended that his services be dispensed with."

Agreeing with the views of the Public Service Commission, His Highness the Rajapramukh directs that Sri F. Thumboo Chetty be compulsorily retired from service with effect from 1st August 1951.

His Highness also directed that no pension or compassionate allowance be given to this officer.
